

Levels of Participation In Athletics

- **Instructional**

A league in which all athletes should be taught and have the opportunity to learn the rules of a game and to learn and practice the skills of that game. In the instructional leagues, it is expected that all students receive quality playing time, according to their league rules. In-structional generally applies to K-4 athletics.

- **Transitional**

A league in which all athletes continue to learn more about the game, have the opportunity to improve their skills, and begin to participate at a more competitive level. Fifth and sixth grade leagues are considered transitional. Minimum playing time requirements may apply, depending on local league rules.

- **Competitive**

A level at which athletes are placed on teams according to skill levels for varsity and reserve. Athletes in this league should expect that stronger skilled athletes may get more playing time. Athletes should NOT expect more playing time based ONLY on skill level if effort, attitude, and sportsmanship are not also displayed on a consistent basis. Athletics for Grade 7 through high school are considered competitive.

The GOOD SPORTS Concept

It is our intention to state our expectations for behaviors and attitudes that should be displayed by all invested parties regarding appropriate Christian sportsmanship. We look forward to providing opportunities for appropriate athletic competition where students can learn athletic skills and life skills; where students, coaches, and parents/fans will appreciate the gifts and talents of others as well as the opportunities to compete, win or lose. Our Good Sports program allows each of us to model, practice, and learn *respect, gratitude, and responsibility* among many other core values, through Christian athletic competition.

We intend for our Good Sports program to complement the guidelines described in the **Diocese of Owensboro Handbook for Catholic Schools (policy #416.)**
