YOUR GUIDE TO SAINT JOSEPH SCHOOL?

JULY 12, 2017

Principal's Corner...

Greetings SJS Community!

I appreciate the warm welcome I have received from various stakeholders over the spring and summer, and very much look forward to the school year beginning in August! I want to invite you to be aware of our activities listed below to start the year, and take this opportunity to invite you to attend as many as you can. We look forward to working with you; we will strive to offer the best Catholic education we can at SJS. Please know that I am available each and every day to serve families in making this an outstanding year for all. I have been blessed with a caring staff to work with--they have been in the building a lot already preparing new ways to excel in 2017-18. We have some new initiatives to offer this year, including a 1-1 Chromebook initiative for all middle school students. Let's all work together to bring Jesus to those around us. God be with you and your families in the coming year.

*Sincerely in Christ,
Rodney Schwartz---Principal*

We would like to introduce a new role to a familiar face at St. Joseph School...

Micki Simpson will continue to serve our new and current families in the office and will now be serving our new families as a

"New Family Ambassador"

Micki has a lot of great things planned, including a SJS SPIRIT Tent! Be on the lookout for that at the Ice Cream Social.
